

# White mustard

# CLASSIC

The late flowering sprinter

## Benefits:

- Within the conventional white mustards **CLASSIC** reaches with the level 7 in the German Descriptive Varieties List the highest classification in the initial development
- Also within conventional white mustards with level 3 in the German Descriptive Varieties List, **CLASSIC** has the latest classification for flowering
- Due to the good initial development and late flowering, especially long vegetative growth
- Excellent weed suppression and high amounts of organic matter
- Plenty of organic matter acts against the humus degradation, promotes the soil life and stores nutrients for the following crop
- Recommended for water protection, mulch sowing and agricultural blends

## Variety characteristics: (Officially confirmed or respectively in line with Bundessortenamt)

	bad / early / short / low	good / late / long / high / tall
Initial mass formation		7
Tendency to flower	3	
Stiffness		7

Breeder: P. H. PETERSEN Saatzucht Lundsgaard GmbH, Version: 12.10.2017 / 2.00

# White mustard

# CLASSIC

The late flowering sprinter

## Usage:

Green manure  
Ground water protection / Nitrogen conservation  
Mulch sowing  
Humus formation  
Protection against erosion

## Crop rotation suitability:

+ suitable / ++ strongly recommended

Maize	++
Cereals	++
Oilseed rape	
Sugar beets	
Potatoes	
Intensive crops	
Legumes	++

## Agronomic features:

bad / early / short / low      good / late / long / high / tall

Weed suppression	8
Protection against erosion	8
Ground water protection / Nitrogen conservation	8
Humus formation	6
Cold- and frost resistance	1
Drought tolerance	8
Type of root	Tuft root with strong main root
Rooting depth	120 cm

## Cultivation recommendations:

Recommended sowing rate	15 - 20 kg/ha
Sowing depth	1 - 2 cm
Sowing period	Early August until September - depending on location!
Fertilization	40 - 60 kg N/ha
Crop protection	Usually there is no plant protection required
Sowing method	Low requirements regarding sowing method: spreader or seed drilling
